

Your Favorite Five Instant Notification of Your Favorite Substitutes

Employees

Favorite Five is here!

You asked... we created. Aesop is bringing employees a brand new way to notify their favorite subs of an upcoming absence.

As of January 28, 2008, employees who have been given the ability to create a substitute preference list will now also be able to select five favorite substitutes to be notified instantly when an absence is entered.

How can you start using this new feature?

1. Log in to your Aesop website.
2. Select **Preferred Substitutes** from the column of links on the left hand side of your screen.
3. Be sure to have already selected substitutes to be on your preference list. (If you have not yet added substitutes to this list, be sure to do so. Instructions are on page 10 of your Quick Start User Guide. The preference lists will function as it has in the past.)

4. Select the **Edit** button
5. Choose your favorite five substitutes to be notified by clicking on the radio buttons below the column rank you wish to give them. Shortly after you enter an absence, all five of your favorite substitutes will receive an email about the job (if they have an email address in the system). They will also receive a phone call offering them your absence during the first available evening call period.

Use the radio buttons below to select your "Favorite Five" substitutes. Pending availability, these substitutes will receive instant notification of your absences by email and/or phone. You may select up to 5 favorite substitutes at any time.
