Orchard View Elementary: Sidewalk Snow Removal

Level	Description
1	Salt as needed to avoid slippery conditions.
2	During ice storms, when refreeze occurs, or if clearing is necessary for salt to be effective.
3	Full event. Only salt after clearing and additional accumulation is not forecasted in the near future.
4	Following full event. Clearing takes place after the completion of level 1-3 areas and additional accumulation is not forecasted. Salt only as coordinated by building administrator and head of grounds.
