Dear FHC Parent,

Your child has a full time job and could really use a raise. Every member of each FHC class is a full time student and we want to help them reach their potential. The Academic Boosters Club (ABC) is a parent group that encourages, supports, and recognizes academic achievement and provides opportunities to prepare students (and parents!) for the college search and application process. We meet concurrently with the PTO and welcome all parents and staff. ABC is pleased to sponsor and provide:

- Opportunities for taking practice college entry tests
- Scholarships with a financial award for post secondary education
- Certificates recognizing students who have the greatest improvement in their GPA
- Honors Breakfast for students with a 3.3 semester GPA and above, and Honor Roll board maintenance
- A reception for the National Honor Society Induction
- A College Essay Writing Workshop; during which, each participant completes one of their college application or scholarship essays and receives valuable feedback on their efforts
- Support for all areas of academics
- Underclassman Honors recognition

To sustain these and other efforts, we would appreciate a donation in any amount. ABC's programs and services are provided solely through your financial contributions, so please consider making a donation. These donations are tax deductible, so keep this portion of the letter for your tax records.

We also would appreciate hearing your ideas of how ABC can further support FHC students and would value your involvement. If you'd like to volunteer and/or stay directly informed of ABC events, please check the appropriate box(es) and provide an email address. We would welcome a donation at any time; but to help us plan our year, please return your completed form to the FHC Office by October 19. Thank you in advance for your commitment in continuing the tradition of academic excellence at FHC!
