

7th grade Schedule Planning Sheet for the 2021-2022 School Year

Hello current 6th graders and families!

This planning sheet has been created as an **optional** support only. **It is not required.**

For our scheduling process each student will log into their PowerSchool account during class and **work with their counselor** to select classes for the 7th grade year.

If you would like to **review the curriculum guide** as a family and select courses for your child to input during the scheduling time, simply complete this sheet and make sure your 7th grade student **brings it with them to scheduling.**

Scheduling Process (Dates to follow):

- The course description guide and course planning sheet go home.
- Counselors meet with students the first week of March to select 4 elective preferences and 4 alternate elective preferences.
- Caregivers will have an opportunity to view these selections and make changes via PowerSchool.
- We will send home a printed copy for caregivers to sign and return.

Scheduling Notes:

- Each student will automatically be assigned to Lang Arts 7, US History 7, Science 7, and Math 7. When students qualify for Math 7/8 they will be scheduled accordingly.
- Physical Education and Math Enhancement 7 can be either 1 semester or 2 semesters.

2021 2022 Course Options
7th Grade
Core - will be scheduled by counselor
