

FOREST HILLS EASTERN

ACADEMIC BOOSTERS CLUB

The Academic Boosters Club (ABC) is a parent group formed to support, recognize and celebrate ALL learners at Eastern High School.

MISSION STATEMENT: ABC strives to provide ALL students with opportunities for greater achievement as well as celebrating successes throughout each school year. Our goal is to create a student body of lifelong learners achieving their individual potential.

In keeping with our Mission Statement, ABC supports our FHE teachers by awarding grants that benefit ALL students in their classrooms immediately in this school year. We can ONLY do this with your support! Your contributions directly impact the opportunities we can help provide. Please consider funding a specific project or giving a general donation.

Here is a snapshot of what we are planning this year:

- Each fall, we recognize Spring semester Honor Roll students with athletic passes and treats
- We recognize Fall semester Honor Roll students with a breakfast in the spring
- Each spring, an Academic Honors Banquet recognizes Juniors & Seniors for their academic achievements
- A College Panel night for parents and students is scheduled to field questions about college
- Practice ACT and SAT tests will be offered in the fall with a chance to review the results
- We will continue to provide funding for teachers with grants through www.innovatefhe.com. Last year we helped teachers in several departments that had a direct and immediate impact on our students

We have several grants submitted by teachers that we **NEED YOUR HELP FUNDING:!**
