Annual Support

Who are FHN Boosters?

The FHN Athletic Boosters consists of a board and one parent volunteer per sport at Northern. We meet once per month to recognize our student athletes and coordinate

fundraising efforts to benefit every team at FHN. We raise funds through (1) Concession Sales (2) Special Events and (3) Patron Donations.

How is money used?

We award funding requests twice per year. Each year your contributions enable us to distribute over \$50,000 to FHN teams for support of further skill development and essential equipment. Our athletes & coaches appreciate your continued support!

Look for us at the Next Sports Meeting!

New - Boosters will share 20% of all donations received during sports meeting directly with team. One night only!
